My experience

I am a Financial Adviser (FA) under RIVAL Wealth's Financial Advice Provider Licence through the Financial Markets Authority and a member of Financial Advice New Zealand. My expertise is providing investment advice along with advice on cash management, debt management, estate planning information and KiwiSaver. I am an employee of RIVAL Wealth Ltd, a specialist financial advice company which aims to provide solutions for you to make an informed decision about your financial situation.

My career started in the banking industry, over 31 years ago. After climbing the corporate ladder, I joined the Private Banking and investment advice sector, gaining many years of experience. With over 20 years under my belt in the world of investments, I joined the team at RIVAL Wealth in 2021. I thoroughly enjoy building great relationships with clients, getting to know their families and helping them achieve their investment goals.

I work and live in Auckland with my partner, between us we have four children. We love making the most of what New Zealand has to offer. My hobbies include getting into the outdoors whenever possible, particularly mountain biking, motor cross, fishing, camping, off-roading and walking.

My relevant qualifications and business awards

I have completed a Diploma in Business for Banking and I am currently in the process of completing a Diploma in Financial Planning through Massey University. I hold a National Certificate (Level 5) as a Financial Adviser. I am proud of the business awards we have received and love being part of the success.

I keep my knowledge and competence up-to-date through continuing education (consisting of seminars, technical briefings, product accreditation and conference workshops). This includes keeping up-to-date with changes to the Code of Professional Conduct for Financial Advisers and relevant consumer laws such as the Fair Trading Act.
