My experience

I am a Financial Adviser (FA) under RIVAL Wealth's Financial Advice Provider Licence through the Financial Markets Authority and a member of Financial Advice New Zealand. My expertise is in providing advice on cash management, debt management, ACC, personal risk management, estate planning information, KiwiSaver, and general insurance advice. I am a contractor of RIVAL Wealth Ltd, a specialist financial advice company that aims to provide the best solution for you to make an informed decision about your financial situation.

I grew up in the Wairarapa and have been involved in the financial services industry here since 1997 in many different areas of advice. I have held roles with local companies starting my career as a Claims Manager, moving to a more active role with clients as a Fire and General Broker, and have many years of experience as a Personal Risk Adviser.

My husband and I own a joint fishing venture with one of our sons and nephew. In my spare time I love to keep fit and active so I can enjoy keeping up with my young grandchildren.

My relevant qualifications and business awards

I have completed the New Zealand Certificate in Financial Services Level 5 with strands in insurance. I am proud of the business awards we have received and love being a part of the success.

I keep my knowledge and competence up-to-date through continuing education (consisting of seminars, technical briefings, product accreditation and conference workshops). This includes keeping up-to-date with changes to the Code of Professional Conduct for Financial Advisers and relevant consumer laws such as the Fair Trading Act.
